Creatine Xplode Powder 500g, orange flavour - EAN 5901330055157;

Creatine Xplode Powder 500g, pineapple flavour- EAN 5901330055850;

Creatine Xplode Powder 500g, pineapple flavour - EAN 5901330055874;

TCM Xplode Powder 450g lemon flavour- EAN 5901330082436;

TCM Xplode Powder 450g orange flavour - EAN 5901330082429.

The recall results from the current regulatory assessment of the status of **creatine malate** as a novel food, and not from any identified quality defect of the products.

Products containing creatine malate have been part of our product portfolio for many years. The first Olimp Laboratories product containing this ingredient was launched in 2005.

The Company has no information indicating that consumption of the above-mentioned products in accordance with the instructions provided on the label poses any risk to consumers' health.

Since the beginning of its operations, Olimp Laboratories has placed particular emphasis on the quality and safety of its products. All products placed on the market undergo rigorous verification to ensure compliance with applicable legal, quality and safety requirements.

The Company remains in cooperation with the competent authorities of the State Sanitary Inspection with regard to the ongoing activities concerning the above-mentioned products.

Consumers who have purchased the products listed above may return them to the place of purchase.

Thank you for your understanding and cooperation.

Yours sincerely,

Quality Assurance Department
